## WRITER

---

[www.madisonschraw.com](http://www.madisonschraw.com) | <https://www.linkedin.com/in/madisonschraw/> | Savannah, Georgia

---

I am a writer with a background in film production and screenwriting, and a focus on engaging narratives that spark connection. I have demonstrated proficiency in project management, collaboration across teams, clear and concise communication, and thoughtful analysis of written works.

### PROFESSIONAL EXPERIENCE

---

#### SCADask Research Assistant Savannah College of Art and Design

February 2026 - Present

- Analyzed qualitative and quantitative research to inform insights.
- Developed a comprehensive, multi-chapter outline and final report on the assigned topic.
- Collaborated with team members through twice-weekly meetings to align on direction and deliverables.

#### Graduate Student Mentor, Savannah College of Art and Design

September 2025 - Present

- Met with mentee twice weekly to provide academic support and guidance across multiple subjects.
- Reviewed and edited all assignments, offering detailed feedback on grammar, clarity, and completion.
- Assisted by breaking down and explaining assignments to ensure full comprehension with the goal of improved performance in the classroom.

#### Intern, Okay Goodnight!

May 2025 - August 2025

- Analyzed scripts, pitch decks, and supplemental materials to deliver verbal coverage during daily meetings.
- Provided concise, actionable feedback to support project evaluation and development.
- Contributed professional insights and ideas in team discussions to inform creative decision-making.

#### Teaching Assistant, Savannah College of Art and Design

March 2025 - June 2025

- Drafted and distributed weekly announcements to support course communication and organization.
- Assisted with in-class projects, writing exercises, and review sessions to reinforce key learning objectives.
- Delivered lectures and led discussions on three-act structure and character development.

#### Intern, American Talent Management

October 2024 - October 2025

- Conducted in-depth analysis of film and television screenplays, delivering clear and constructive feedback.
- Evaluated narrative structure, character development, dialogue, and marketability.
- Maintained consistent deadlines by providing timely, actionable notes on multiple projects each month.
